

# AMPLATZER™ Family of Vascular Plugs

## Vascular Therapy

### PREFERRED CATHETER AND SHEATH REFERENCE

This document lists guide catheters and sheaths used to deliver the AMPLATZER Vascular Plug, AMPLATZER Vascular Plug II, and AMPLAZER Vascular Plug III<sup>a</sup> based on preferences reported by implanting physicians. Physicians should exercise their clinical judgment in selection and use of catheters and sheaths. This document is not a recommendation for use of any particular product listed and is not intended to provide a complete list. Refer to the instructions for use for each product listed. Manufacturers may make changes to their guide catheters and sheaths without notice which may impact their suitability for use with the AMPLATZER Vascular Plug, AMPLATZER Vascular Plug II, and AMPLAZER Vascular Plug III<sup>a</sup>.

Vessel	Product Name	Typical Size (F)	Typical Length (cm)
